SEARCH NOTES		
Search Notes	Date	Examiner
Discussed instant application with SPE (PA).	5/21/07	WF
SPE (PA) suggested that I begin my EAST keyword search by searching on the string "data about data". SPE also stated that searching on the keyword term: "metadata" would be too narrow of a search.	5/21/07	WF
Performed inventor name search.	5/22/07	WF
Performed EAST searches of class/subclass: 725/12 and 725/62. See EAST search history, attached.	5/22/07	WF
